

The harvest is plentiful but the workers are few.  
Ask the Lord of the harvest, therefore, to send out  
workers into His harvest field.

# SHARATHON 2017

## *Facing the Task Unfinished*

**Dear Friend,**

As we head into the final months of a year that has been a challenging one for many of us, I pray that you are experiencing God's grace and peace in special ways.

Many have shared with me recently that 2017 has been one of the toughest years they've had in some time. That has definitely been the case for me, so I can relate!

During 2017 I have had to be deliberate in keeping my focus on what is stated in Scripture... those truths, instructions for living, and promises that we can anchor our lives in each day... even during the toughest of times!

Being able to read God's word and to hear it taught daily on the radio, has made it possible for me to live in His grace and experience His "peace that passes understanding" during 2017. That may be your story this year, as well!

My friend, we can successfully go forward no matter what comes against our lives when we know Christ, keep encouraged by the hope we have in Him, and rest in His promises!

I guess that's why Paul prayed for the people in the church at Ephesus the way he did...on his knees, he asked God to help them to know Him better, to know the hope they had in Christ, and the limitless power of God which can work in and through the lives of God's people.

That is our prayer for you, and every other person who tunes in Your Network of Praise each day! Through our daily broadcasts, we want to help you to know Christ better, to know more fully the hope you have in Him, and to live in such a way that His awesome power is fully at work in your life!

When one person in the Church is strengthened, the whole Church is strengthened...and that is important, because in this era that God has placed us in, the witness of the Church is desperately, desperately, needed!

I thank God for the many ways He has built up people through the broadcast of His word over YNOP, and I am deeply grateful for each one who has provided the prayers and funds needed for YNOP to be on the air and growing these past 34 years!

Join us for an important *Day of Hope* on Monday, September 25, featuring Wayne Pederson. Wayne recently retired as head of *Reach Beyond*, one of the largest international Christian radio ministries in the world, and he has agreed to serve on YNOP's International Advisory Board which we have established as we go forward with plans to expand the reach of New Life Radio Tanzania.

Much has been accomplished, but in recent years, God has made us increasingly aware of the deep spiritual needs...and the many open doors for the gospel...that exist around the world. And, He has made it clear that YNOP is to go deeper into His harvest field at this time.

Our theme this year has been Facing the Task Unfinished, and as we begin our Sharathon with a special Day of Hope on Monday, September 25, we will have much to share with you about what God is doing, and the deeper partnership that He is calling YNOP and its listeners into in order to get the job done.

Monday afternoon, we will have a very important time with our friend Wayne Pederson...go to [YNOP.org](http://YNOP.org) for info. Wayne has agreed to join YNOP's International Advisory Board, and we are excited to have his help as we endeavor to reach more of the 55 million people of Tanzania through the expansion of New Life Radio Tanzania!

As YNOP seeks to wholeheartedly face the task unfinished, I want to ask you to pray about being an active part of things during the next year. YNOP is a small, Montana-based ministry which God has called to things that we cannot do in our own power. Would you join us in funding, and covering in prayer, all that God has directed us to do in the days ahead?

I truly believe that as we do what we can, together, God will, indeed, do immeasurably more than all we ask or even imagine... in each of our lives, and in the lives of those soon to be reached as His word goes forth!

May God richly bless you, and if we can be praying for you today please let us know by contacting us at (800) 442-9222 or [Prayer@ynop.org](mailto:Prayer@ynop.org).

*Your Friend In Christ,*

## Great News from Rwanda!

During our spring FriendRaiser many YNOP listeners provided the funds needed to reach a currently unreached region of Rwanda with the gospel. Ten training classes are to be conducted to train Rwandan Christians to take the gospel into this remote region.

*We are excited to let you know that classes began in July and are continuing now!*
