

# Brighter Days!

## FriendRaiser 2023

On the Air March 13-16

Dear Friend,

Are you ready for some good news?

In spite of all the turmoil we've seen around us in recent years, know that God is on His throne in Heaven ruling over this earth! (Psalm 47:8)

While it's true that we've faced plenty of discouragement over the past few years, I agree with what Anne Graham Lotz said a few years ago... "things aren't falling apart, they're falling into place!"

No matter what you are facing today, you can rest in the bedrock truths that God loves you, that He has invited you to cast all your cares upon Him, and that no matter how challenging the circumstances are, He can give you "peace that passes all understanding"! And, best of all, for each of us who knows Christ as our Savior there is a bright, amazing, eternal future on the horizon!

I like the way that the Christian singer Blessing Offor puts it, *"I know there's going to be some brighter days!"*

I think we all need to be reminded of that...and, that is why we chose "Brighter Days" as our theme for 2023 here at Your Network of Praise.

As we prepare for our annual FriendRaiser here at YNOP it's our prayer that the programming you hear each day will bless you, encourage you, and help you to keep your eyes fixed firmly on Jesus so that "peace that passes all understanding" will be yours every day!

### Coming Up at YNOP in 2023

- New Station - KGLE - 91.9FM
- Debut of Vie Nouvelle Afrique in the Ivory Coast
- Distributions of YNOP Ambassador Audio Bibles

We'll have info on these ministries and more during the **FriendRaiser!**

The first 1,000 YNOP Ambassador Audio Bibles will soon be on the way to the Maasai-speaking people of east Africa! Approximately 67% of the Maasai are illiterate...these solar-charged MP3 players will provide them with the New Testament, Psalms and Proverbs in audio form, in their own language!

# Join us for a special **Day of Hope** • Monday, March 13

And, as we prepare for FriendRaiser, we are once again in awe of what God is doing, and how rapidly He is moving so that His good news can be shared with as many people as possible, as soon as possible, through YNOP and our outreaches overseas!

During 2023 we will be building new YNOP stations in multiple locations, including the new KGLE-FM in Glendive! We'll also be adding numerous radio station affiliates to the New Life Africa Satellite Network and Vie Nouvelle Afrique, and sharing the good news of Jesus with people who have no access to Christian radio as we begin distributing *YNOP Ambassador Audio Bibles* to the Maasai-speaking people of east Africa!

During the FriendRaiser broadcast we will be sharing a lot of information with you about each project. But, each one is just the "means" to the very important "ends"... getting the Good News into the lives of as many as possible WHEREVER and HOWEVER God directs!

During FriendRaiser we'll also be asking you to pray about joining us financially and in prayer in the work God has given us to do in 2023. It's going to be an amazing year, and we look forward to partnering with you in making it happen!

FriendRaiser gets underway with a special Day of Hope on Monday, March 13...I believe you'll be blessed by the special guests, music, testimonies and more that will be part of this year's Day of Hope!

You can find more info about our Day of Hope, and about this year's projects, any time at [www.YNOP.org](http://www.YNOP.org).
