

SUMMER CHALLENGE 2022

*Let Me Tell You
About My Jesus!*

Dear Friend,

I hope that you're doing well as 2022 flies by!

As the year began we chose the theme ***"Let Me Tell You About My Jesus"***. It's a good reminder in this unique season we live in, that we need to be ready to share the good news of Jesus with those who haven't had the chance to hear!

God has used the turbulence of the past few years to prepare the hearts of many to receive the gospel, and, at YNOP we have doubled down on the work that He has given us to do in order that we can be ready to share that good news of Jesus everywhere God gives us opportunity!

As we reach the midpoint of 2022, I can't adequately express how deeply grateful we are to you and other YNOP listeners who have provided financially so that we can continue moving forward!

Many satellite installations are taking place this summer at new affiliates of Vie Nouvelle Afrique and the New Life Africa Satellite Network.

In June, Your Network of Praise began a partnership with Evangelism Explosion to provide encouragement and training to YNOP listeners who would like to be better prepared to share their faith.

July 1, we officially begin the transition of YNOP's outdated satellite technology to the very latest technology. This major upgrade will improve reliability for many YNOP stations, and also give us the opportunity to increase the impact of YNOP!

In Africa, the rapid growth of the New Life Africa Satellite Network and our new French-language network, Vie Nouvelle Afrique, is enabling YNOP to share the hope of Christ in places we never would have imagined!

And, work continues on projects to build three new YNOP radio stations in Montana during 2022!

We are feeling a bit overwhelmed at this point, but very excited that all that is happening right now will further enable YNOP and New Life Africa Satellite Networks to “tell people about our Jesus”!

As you listen to YNOP each day I pray that you will find personal encouragement, and the peace and joy that can only be found in Jesus Christ! And, I want you to know that people in more than 20 countries are hearing of that same hope because of the support that you have given that has made it possible for YNOP and the New Life Africa Satellite Networks to go forward!

I hope you will be able to tune in this year’s Summer Challenge broadcast Monday morning, July 18. I always look forward to the Summer Challenge because it is our on-air “report card” to YNOP listeners on the progress of the year’s work, and, an opportunity to hear how God is working in the lives of YNOP and New Life Africa listeners, as His word is broadcast!

We have much to share with you on the 18th, so make plans to join us for this year’s Summer Challenge on Your Network of Praise. You can find more information, and check out some fun pictures and videos, too, at www.YNOP.org.
